STATUS REQUEST

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

On June 29, 2001, the above-referenced patent application was filed with the United States Patent and Trademark Office. A Status Request was filed on July 23, 2003 with response received that it would be more than 15 months before this application will receive a first office action. At 23 months out, no further information, except for the Filing Receipt and the Recorded Assignment, and Notice of Publication has been received from the United States Patent and Trademark Office by the attorney of record. Accordingly, the status of the subject application as to an "expected" date of when the first office action will be received is hereby formally requested in writing.

Respectfully submitted:

We currently project that it will be more than 15 months before this application will receive a first office action. This is because the application is classified in a technology that has experienced a large filing rate growth over the last few years. The Office is addressing the growth by adjusting examination resources accordingly. You may wish to consult the MPEP (708.02) to see if filing a petition to make special is appropriate.
